

Train-Tech Smart Screen Programming Form

@gaugemaster

@gaugemaster_controls

Train-Tech is a Gaugemaster Brand. Find all the products online at: www.gaugemaster.com Gaugemaster House, Ford Road, West Sussex, BN18 OBN, United Kingdom tel - +44 (0) 1903 884321.

Smart Screen No: (for multiple orders)

The Train-Tech Smart Screen can be setup via a DCC controller, However Train-Tech also offers a service to customise screens to customer requirements - Setup fee: £15 per screen. Please note that any text that does not fit will be abbreviated. Refer to Smart Screen instructions for full details.

| Name: Phone Number: | |
|--|----|
| Email Address: | |
| Address: | |
| Postcode: | |
| If you are going to control by DCC (Digital) - Tick one box only to select and complete below: | |
| DCC loco direction (eg on train) Only 2 screens A&B. What loco address? (1-999): | |
| DCC loco address - all screens may be programmed. What loco address? (1-999): | |
| Cycle screens in time - all screens may be programmed. Time interval? (1 to 60s): | |
| DCC accessory - up to 5 pairs can be controlled; enter DCC address for each pair: | |
| Screens A&B Screens C&D Screens E&F Screens G&H Screens I&J | |
| If you are going to control by DC (Analogue) - Tick one box only to select and complete below: | |
| DC polarity (eg direction of a train) Note - only 2 screens A&B can be used for this control | |
| Cycle screens in time - all screens may be programmed. Time interval? (1 to 60s): | |
| How many messages do you want us to program? (max 2 if control is by direction or polarit | y) |
| I confirm the details supplied on this form are correct and that any errors shown may be | |
| corrected, however an additional fee may occur. | |
